

TRAVEL CLUB UPDATE:

Travel Club has begun preparations planning trips beginning this August. The flyers with each individual trip information will be posted in our newsletters, in the building and on our web site. Due to the pandemic and certain restrictions, there will be changes in how we handle trip reservations and payments. Also, anyone who wants to take a trip, must show proof of completed Covid 19 vaccinations. We will request to make a copy and keep it on file in the Travel Club office. We will not accept any over the phone reservations or checks mailed in. YOU MUST come make your reservations and pay in person. It will be first come, first served.

Due to the Covid restrictions in our building, we can only allow 8 people at once to enter the building to make reservations and pay for trips. Only 2 travel customers are permitted in Travel office at once (or 4 if you are a couple). We will be able to accommodate 6 people to wait in the Library for their turn to go into the travel office and we will monitor the order in which you arrive. If you come to sign up and pay for a trip and there is already the maximum in the Travel office and library you will have to wait outside until someone exits the building and we will call you in for your turn. You will have to form a line outside.

This is all new to us so please be patient and cooperate with us so we can make this temporary transition successful.

So far, we have only planned two trips in August. One to Dutch Apple Dinner Theater and the other to Surfflight. Both flyers can be found in this newsletter. We will start taking reservations, Monday, May 3rd. The travel office will only be open Mondays and Wednesdays from 10am-2pm to take reservations and payment.

Hopefully we will publish other trips as soon as possible.

It's time to hit the road again.....
