

Honoring Women in the Military

Presented by Kathleen Rice

Wednesday, November 4th - 12-1pm (in Wilson Hall)

For more than 250 years, women have answered our Nation's call to serve—from the American Revolution to today's global missions. They have served as Soldiers, Marines, Sailors, Airmen, Coast Guardsmen, and Guardians. Their courage, sacrifice, and dedication are part of the American story.

Everyone is Welcome to attend
